Applicant Instructions

1. Students who have completed an associate’s degree or a bachelor’s degree or any graduate school degree are not required to submit their GED or high school / secondary school official transcripts unless they applied to any of the Health Science programs listed on the first page.
2. Even though you may not be required to submit an official transcript as evidence of high school completion, you must submit one to the Office Admission as soon as possible in order to assist you with advisement and course selection for the next upcoming academic term.
3. Please sign the “*Certification of Information*” below as soon as possible and return it to the Office of Admission in order to process your application of admission. Your application will remain incomplete until we receive the completed and signed High School Completion form.
4. Students who have completed a rigorous course of study in high school (and are being considered for the Academic Competitiveness Grant) should request an official transcript for the Office of Admission.
